

Fortify Your Comfort Zone

Stylish locks that secure and protect.

Sash Locks Solution

Gee Bridge - Crafting Warm Metal with Artisanal Excellence
Your Trusted Partner for Building Materials and Household Hardware Solutions

Your home is your sanctuary. But what good is a sanctuary without the right defenses? Our Sash Locks Solution aren't just a security upgrade—they're a style statement. With a simple twist, you can lock down your comfort zone, knowing your windows are secure, without compromising your home's aesthetic. Protection should be subtle, not boring—secure your home, but do it with style.

Tough But Sleek

Solidly built to deter break-ins while blending seamlessly with your windows. Who says security can't be stylish?

DIY-Friendly

Install it like a pro, minus the headache. With easy-to-follow instructions, you'll have it up in minutes.

The Perfect Fit

No matter your window type, our sash locks adapt to match your home's vibe—functionality meets finesse.

Built for Life

Crafted from premium materials, these locks stand up to anything—so you can count on them for years to come.

Customer Testimonials

"After upgrading with these sash locks, we felt an instant difference—not just in security, but in the way our windows looked and felt. It's a smart choice that doesn't compromise style, and now our family feels even more at home."

– Sarah & James, Designers

◀◀ **Tight Seal Sash Locks**

This durable steel sash lock provides a tight seal, ensuring maximum security and energy efficiency. Its brass finish adds a sleek touch, making it an ideal fit for classic window designs while enhancing both form and function.

- Material: Steel
- Finish: Brass, Matte Black, White
- Dimensions: 1-3/4" mounting holes on center

▶▶ **Sash Lock for Wood Windows**

Crafted from high-strength zinc alloy, this window sash lock offers reliable protection for wood windows. The white and antique brass finishes blend seamlessly with both modern and classic window frames, ensuring security and aesthetic appeal in residential or commercial settings.

- Material: Zinc Alloy
- Finish: White, Antique Brass

◀◀ **Cam Action Sash Lock**

The cam action design of this sash lock offers easy operation while providing a secure fit for your windows. Its bright brass finish adds a touch of elegance, perfect for windows that require both style and strong locking mechanisms.

- Material: Zinc Alloy
- Finish: Bright Brass

▶▶ **Cam Action Window Sash Lock**

Upgrade or replace your window locks with this durable sash lock, perfect for single and double-hung vinyl windows. Featuring a cam-action hook for a secure fit and anti-jimmy studs for added security. Mounting hardware included.

- Material: Brass
- Finish: Bright Brass
- Dimensions: 1-3/4" mounting holes on center
